**NAWIC • National Association of Women in Construction**  
Region 8 Membership Report – Annual Planning Conference, Denver, CO  
October 23-24, 2009

Welcome to Colorado!

As Region 8 Membership Chair, I would like to recognize the members that truly “walk the walk and talk the talk”. Our recruiting contest will begin October 1, 2009 and end March 31, 2009. The award will be presented at Forum 2010 in Phoenix, AZ. We are hoping that this will encourage everyone to participate and also recognize the members that recruit just one. Not everyone has the personality or the opportunity to interact with a lot of people but usually knows of at least one prospective member. **Every member that recruits a new member will be recognized. The member with the largest number of recruits will win the award at Forum.** Chapter Membership Chairs will be responsible for reporting monthly activity.

Your Chapter membership Chairs for 2009-2010 are:
