

NEF Coin Jar Challenge

My challenge and goal as your NEF Fund Raiser is to outdo the contributions from last year in our region – and for everyone to have the chance to make contributions.

At APC, we gave each chapter a challenge for the coming year . . . each chapter received a jar to take to their membership meetings to collect loose change during the meeting.

We will be having a small competition within our own region each month as chapters collect their loose change. Winners will be announced monthly and will be formally announced at Forum.

So, ladies, please remember to collect your change at your meetings and turn in the amounts each month.
